Mr. W. Park Armstrong, Jr.
Special Assistant, Intelligence
Department of State
Washington, D. C.

Dear Mr. Armstrong:

In accordance with your request of 14 February 1951, under the provisions of NSC-29, a field survey of the security of the [redacted] has been made and a report prepared by a Central Intelligence Agency survey team.

The report, which includes recommendations comprising plans for the protection of the industry, is submitted herewith in 27 copies for the use of authorized recipients concerned under NSC-29. In order to avoid unnecessary duplication in dissemination, it will be appreciated if our Office of Collection and Dissemination is informed of whatever distribution is made outside of the Department of State.

It is understood that the Department of State has received inquiries and requests from [redacted] for the subject report. Central Intelligence Agency has no objection to the release of pertinent parts of the report to [redacted] provided all references to CIA and NSC are deleted therefrom and its classification is appropriately downgraded to Secret, and provided further that those portions of the report which refer specifically to and describe the reserves and operations [redacted]

Sincerely,

WILLIAM H. JACKSON
Deputy Director of
Central Intelligence
